"Denny's Story"

Saturday April 3rd 2010 started as a normal day, having morning coffee and discussing plans for the weekend after he mowed the grass. Then out of nowhere the pain hit him, until that day we had heard of aneurysms but didn't know the suddenness and importance of early detection. He fought through two surgeries and two weeks in ICU, and then on April 17th he lost his fight. What better way to help the cause and honor him than to have fun doing what he loved, Golf.

The Brain Aneurysm Foundation is the nation's only nonprofit organization solely dedicated to providing critical awareness, education, support and research funding to reduce the incidence of brain aneurysms.

Every donation matters - every dollar counts. Your donations are used to further educate the public about brain aneurysms, to support patients and families, and to develop awareness programs and educational materials for hospitals, clinics, and other institutions worldwide.

Awareness levels and education of the general public and medical professionals, especially in ER's and primary care settings, need to be addressed to promote early detection and prevent misdiagnosis. Your gift will help to fund essential research that can directly benefit those affected and help to reduce the incidence of ruptured aneurysms.

What is a brain aneurysm?

A brain aneurysm is a weak bulging spot on the wall of a brain artery very much like a thin balloon or weak spot on an inner tube. Aneurysms form silently from wear and tear on the arteries, and sometimes can form from injury, infection, or inherited tendency

Cost

	Foursome Team.....	\$200
	Individual.....	\$50
	<i>*fee includes golfcart, green fee, food, refreshments and awards</i>	
	Hole Sponsor.....	\$300
	Flat Donation.....	\$_____
